LÄSARNA

Glad påsk på er, Knasen-vänner!

Även i år är vi extra tidiga med att fira påsken med ett tjockt nummer här i Knasen. Så passa på att njut av de sista semlorna innan det är dags att slänga sig över de målade äggen och det här numret av Knasen som har mer av allt!

Det börjar starkt med Knasen själv som gör en lista över hur man irriterar Schassen bäst. Därefter följer bland annat Hagbards filosofi, Bettys levnadsregler, Wileys ordbok, besökstid i Träsket, väckning av Jeremy i Zits, repa på stan med Joe Bar team och lite äggande läsning med den unge Spirou.

Efter detta blir det ännu mer matnyttigt med Hagbard, trädgårdsskötsel hos Betty, bantning med Schassen och ännu mer av allt!

Trevlig läsning

Björn

Katarina

Björn Ihrstedt Katarina Malmgren

PS! Önskar ni ännu mer läsning i påsk rekommenderar vi Knasenböckerna – med den kompletta samlingen av strippar och söndagssidor från 1950 och framåt i kronologisk ordning. En härlig skrattefest väntar!
