Givakt och manöver!

Så inledde vi den här spalten för drygt ett år sedan när vi tog över kommandot för Knasen. Det har varit ett roligt år, men nu är det muck och dags för nya utmaningar som det brukar heta … Dags för ännu ett vaktombyte på Knasens redaktörsstol med andra ord från och med nästa nummer, och vi önskar den nye redaktören Germund von Wowern, som redan idag har hand om Schassen & Knasen, lycka till!

Men innan dess – välkomna till det här numret som är fyllt av härlig serieläsning med Knasen i spetsen. Dessutom får ni en fin bilaga om Ottos barndom, eller heter det kanske ”valpdom” eftersom han är en hund …? Hursomhelst, vi avslutar som vi började …

Givakt och manöver!

Björn Ihrstedt Katarina Malmgren

PS! Önskar ni ännu mer härlig serieläsning rekommenderar vi Knasenböckerna – med den kompletta samlingen av strippar och söndagssidor från 1950 och framåt i kronologisk ordning hopplockade av ”Mr Knasen himself”, Alf Thorsjö. En underbar skrattfest väntar!
